Company Description

Acme-Hardesty is one of the largest distributors of castor oil and derivatives, palm derivatives, preservatives and surfactants, as well as a full range of oleochemicals, glycerine, fatty acids, fatty alcohols and esters. We focus our sourcing efforts on green, naturally derived, renewable and sustainable products to meet our customer's needs. We are RSPO Mass Balance certified. Acme-Hardesty is committed to product quality, security of supply and excellent Customer Service.

Markets Served

Markets served include Polyurethanes, Coatings, Adhesives, Sealants & Elastomers. Our full line of sustainable and renewable products made from palm oil, castor oil, tallow, and other natural raw materials will compliment your polyurethane and CASE products and formulations.

Geographic Locations Served

Acme-Hardesty has six warehouses and five bulk terminals to service the United States, Canada and Mexico. We can ship rail cars, tank trucks, truckload, and LTL quantities. We also have an on-line store for smaller quantities.

Technical Services

Acme-Hardesty has a market dedicated Technical Service Manager to assist our sales team to solve our customer's formulation problems. We can use our lab to work on your formulations and make recommendations to meet your needs.

Major Products

Acme-Hardesty has a complete line of castor oil & derivatives, oleochemicals, glycerine, fatty acids, fatty alcohols, specialty esters, bio based PEGs, surfactants, ESO, metallic stearates, and other sustainable and renewable products. Our products are certified USDA BioPreferred. Our palm based products are RSPO Mass Balance.

We are *Bio.Logical*.
