Company Description

Since its inception in 1954, the Elizabeth Companies has grown to become one of the world's leading manufacturers and distributors of Punches & Dies, Blister Packaging Tooling, HATA Tablet Presses, Tablet Press Control Systems, Tablet Press Replacement Parts, Turrets and Press Rebuild Services. The Elizabeth Companies' customers are world leaders in the pharmaceutical, nutritional, battery, powdered metal, ceramic, electronics and confectionery industries. While worldwide capabilities have drastically grown, the Elizabeth philosophy of Complete Customer Satisfaction continues to thrive from its founding principles. The Elizabeth Companies are dedicated to providing the best possible products and services through an unequalled level of satisfaction, trust, communication and customer service.
