Company Description

Nutralliance is a supplier of premium ingredients to the food, pet and nutritional industries. Our company prides itself in the ability to cater to our customer's specific needs while maintaining our focus on integrity, honesty and the commitment to high quality product standards delivered at a competitive price and in a timely manner.

Incorporated in 2002, Nutralliance is owned and operated by Brian Salerno, a veteran of the nutritional industry since 1989. The addition of another industry veteran, Michael Sodaro, in 2011 further strengthens our position in the industry with his extensive knowledge of the natural vitamin E and natural beta carotene markets. It is through their vision and dedication that we have established what has proven to be a valuable asset for supplement manufacturers.

Nutralliance is proud to be the exclusive North American distributors for two innovative and quality driven manufacturers.

Advanced Organic Materials (AOM) is an Argentine company dedicated to the extraction and purification of natural ingredients. Serving over 15 countries worldwide, AOM is well established as a leading player in the industry.

Bio-gen Extracts Pvt. Ltd., India was established in 2000 and is a GMP Certified company that specializes in the manufacture of nutraceutical raw materials and leader in the production of natural carotenoids.
